

OCCUPATIONAL HEALTH AND SAFETY (OHS) POLICY

We are committed to:

1. Ensure the Occupational Health and Safety of the workforce and other people (contractors, suppliers, visitors and guests) in the workplace.
2. Comply with all applicable government laws and regulations and other requirements related to the implementation of Occupational Health and Safety (OHS) in the workplace.
3. Carry out continuous improvements to the OHS Management System and Performance in order to improve a good OHS Culture in the workplace.

To fulfill our commitment, we will:

1. Establish and maintain a sustainable Occupational Health and Safety Management System and relevant resources.
2. Build a workplace and work in accordance with laws and regulations and other requirements related to OHS.
3. Provide adequate OHS facilities and infrastructure.
4. Provide education or training related to Occupational Health and Safety to the workforce to improve the Company's OHS performance

Sincerely Yours,

Ken NG
General Manager

QUALITY OBJECTIVE AND OCCUPATIONAL HEALTH AND SAFETY (OHS) TARGETS

The Company's Quality and OHS targets are:

1. Expanding international markets such as the Middle East and Southeast Asia
2. Maintaining zero customer complaints (zero complaints)
3. Cultivate and improve safe work systems and prevent fatal accidents (zero accidents)
4. Improve individual skills in the form of training and become competent in their field or department.

Sincerely Yours,

TechnoBend
